TRAVEL IN TIME: NEW YEAR CELEBRATIONS

Grand Hyatt Amman is taking you back in time on a journey to revive the highlights of past centuries. Each of the hotel's outlets will be exquisitely decorated to capture the essence of a different decade of the century, taking guests on a trip to re-live the past.

The renowned Vietnamese restaurant, Indochine, will take you on a charming journey to the 20s; L'incontro will take you back to the 60s; 32° North will take us to the 70s; and guests can dance to the tunes of the 80s at JJ's and enjoy the fine music of the 90s in the lounge.

CHILEAN WINE PROMOTION, MAPU WINES

Mapu wines are the result of a partnership between different wine producers from the Maipo Valley and Baron Philippe de Rothschild vineyards.

Mapu is made with Carmenere (classic in Chile), offering full tannins and ample aromas to the wine. The Cabernet Sauvignon (traditionally Bordelais) adds structure and tannins. The colour is deep red and the nose is full of red fruit flavours, with a hint of liquorice and spices. The finale is harmonious and well-balanced, persistent and rich.

Throughout December, Mapu wines will be served in both the Lounge and 32° North. Indulge your senses with four kinds of Mapu Chilean wines, including the white Mapu Sauvignon Blanc and Mapu Reserva Chardonnay, and the red Mapu Reserve Cabernet Sauvignon and Mapu Merlot.

ZARA GALLERY CRADLE OF CREATIVITY

Under the patronage of Her Royal Highness, Princess Alia Tabbaa, Zara Gallery will be hosting an exhibition of paintings by artist Filiz Emma Soyak until 15th December.

Soyak's current work explores territory beyond the retinal experience into memories and subconscious impressions. Attracted to the energy of ancient places and worn surfaces, Soyak's work tells a story behind every mark and scratch, and she uses mixed media to create depth through layers of acrylics, oil pastels, sands, photography, and collages of hand-made and found papers.

ZARA EXPO

Zara Expo will be holding its Fifth China Products Fair from December 2nd to 5th. A total of 150 small and medium-sized enterprises, including manufacturers, distributors and import/export companies, will be showing products in the building, machinery and automotive sectors, as well as general commodities. Additional information can be found at the official website: www.jcpf.net.
